Not quite the Andre story I always promised Fred, but it\'s a start. ;)

I Feel Fine

The end of the world.

Only the Apocalypse itself could feel like this. He felt bruised and achy, his eyelids had been glued shut, and red-hot sand was under them. And his cock itched and his ass hurt and he--

Andre rolled one eyelid open, and the agony of the final, burning light pierced his brain. That, or some bastard had just ripped the curtains open to let the sunshine in.

"Morning!" said someone, cheerfully.

Andre curled up beneath the covers, and swore to himself that he was never, ever going to play drinking games with Bruce Dickinson again.
